

This sustainability assessment form is designed to be completed in preparation for UC Eco Office certification. This document contains two sections, a walk-through survey (1.) and interviews with your purchasing officer (2.1) and staff (2.2).

To conserve paper, please print these assessment forms double-sided or on once-used paper (paper that has already been printed on one side), and use the same copy of the interview questions for each interview. The answer boxes have been designed to accommodate multiple answers, for example:

2.2 How often do you recycle paper?		Totals	
	Never	II	2
	Sometimes	IIII III	8
	About half	IIII	4
	Often	IIII IIII	10
Always	II	2	

When you have completed the assessment, send a copy of your results by internal mail to the Sustainability Projects Facilitator, Sustainability Office (Engineering Services). Please keep the original copy for your records. Thank you and good luck!

\*Please write N/A if this action is 'not applicable' to your office, or there is a clear barrier to completing this action. State a reason for these responses on the the last page of this form.
