- Study groups, mentoring, and peer support are facilitated by the halls of residence.
- Pastoral care is available to support your health and wellbeing.

Flat with friends on campus

Our modern fully-furnished, self-catered apartments offer you a transition from a fully-catered hall to the independence and convenience of flatting. For how to apply for an apartment, see [page 26–29](#).

Pastoral care

UC is committed to supporting the wellbeing and safety of our students.

Code of Pastoral Care

Along with other tertiary education providers in New Zealand, the University must ensure that it is compliant with all requirements within the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021.

The code ensures that student accommodation fosters a supportive and inclusive community which supports the wellbeing and safety of residents.

nzqa.govt.nz/tertiary/the-code

Code of conduct

Residents are expected to help support the safety and wellbeing of their hall communities. Each hall has regulations listing each resident's responsibilities. The University Student Code of Conduct also requires each student to keep themselves and others safe and does not bring UC into disrepute.

Keep yourself healthy

To ensure health and wellbeing, we strongly recommend registering with the UC Health Centre on arrival. Meningitis vaccines are free to domestic students under 25 living in halls of residence, and free counselling is accessible to most students.

www.canterbury.ac.nz/life/support-and-wellbeing/uc-health-centre

Double check

- Ensure you enter your name and date of birth correctly and in the same format for both your application and your CCRF request, as these are matched electronically.
- Check you are entering the correct term. First-year students should apply for the **"2025 Academic Year"** and will be prioritised over **Semester 1** applications.

Application Timeline

- Use a reliable email address that is not your school email address. The halls need to be able to communicate with you prior to your arrival, including connecting you with your Taurima or Residential Assistant as your first point of contact.
- Kirkwood Avenue Hall and Tupuānuku both offer ensuite rooms, but they are in high demand. Consider if you really need an ensuite room. Preference is given to students with medical, wellbeing, or other personal needs. If this is you, make sure you disclose these in your application form.
- If you need to make changes to your application once it has been completed, contact Accommodation Services at accommodation@canterbury.ac.nz. After the application due date, preferences are not able to be changed.
- If you do not hear from us after applying online, contact us to make sure your application has been received. You should receive three emails from us – once when you register your application, when the Declaration and Consent has been accepted, and when your CCRF has been received and your application forwarded to your preferred hall.

Selection process

All halls of residence undertake a selection process. They aim to establish a diverse community with a mix of degrees and representation from all over Aotearoa and internationally.

Prioritisation will apply for all rooms, which will take into consideration:

- UC scholarship recipients
- students studying degrees only offered at UC
- students of younger age
- any specific personal circumstances.

If you do not receive an offer from your preferred halls, this does not mean you have not submitted a strong application. A number of considerations are taken into the selection process which you can discuss with the hall directly.

Offers will be made from **7 October** and a General Waitlist will be held by Accommodation Services.

Fees

You will be required to pay a deposit to secure your room. Your deposit is made up of a non-refundable contingency fee, an administration fee, and a residential life fee. Deposits are due on **29 October** and in 2024 ranged between \$1,000 and \$2,500.

First instalments are due in January. Amounts differ between halls so know what the fees and payment schedules are before you apply online. Refer to our comparison charts at canterbury.ac.nz/life/accommodation/halls-of-residence

Please note: Study Link and most UC Scholarships are not able to be used for your hall deposit or first instalment.

Tupuānuku

Arcady Hall

College House

General waitlist

Students that miss out on a room may be offered an alternative hall with available rooms, or to be placed on the General Waitlist that all halls can access. Waitlisted students are updated each week.

If you receive an offer from the General Waitlist, consider it carefully as you may not receive another opportunity.

Please note: you are not able to receive an offer and stay on the General Waitlist at the same time.

The General Waitlist is not ranked, and offers depend on the type of resident the hall is looking for and taking into consideration priority groups.

Summer accommodation

If you are undertaking a Certificate in University Preparation or Head Start, accommodation may be available on campus. Details will be provided in **September** at canterbury.ac.nz/life/accommodation/

Renting privately

Flatting is a great option for students seeking more independence.

After your first year of study, you can return to a hall of residence, live on campus in a self-catered apartment (pages 26–29), or move into private rental accommodation.

How to find a property

Located in the suburb of Ilam, UC is close to adjoining suburbs such as Addington, Avonhead, Bryndwr, Burnside, Fendalton, Riccarton, and Upper Riccarton.

Many other suburbs within Ōtautahi Christchurch have direct bus routes to campus. See metroinfo.co.nz for bus maps and timetables.

Useful resources for finding a room or property includes:

- **UC Guide to Flatting**
Covers a range of useful topics for students new to flatting
- **Studentpad**
Visit Studentpad to search for a room, property, or connect with students on the Message Board

canterbury.ac.nz/life/accommodation/flatting-in-private-rentals

Costs

Rent can range from \$450 per week for a two-bedroom house to \$1,221 per week for a five plus-bedroom house.*

You will need to budget for set-up costs (including up to four weeks' rent as bond, one or two weeks' rent in advance, power and internet) plus weekly ongoing costs, contents and liability insurance, and personal expenses.

*Source: tenancy.govt.nz

Before you rent

Before signing a Residential Tenancy Agreement make sure you visit the property, undertake an inspection with your landlord, and view an insulation statement.

Useful resources provided by Tenancy Services to help you are:

- A New Tenant's Checklist
- Renting and You

To give yourself time to find a place, you should arrange temporary accommodation for at least two weeks when you first arrive in Ōtautahi Christchurch.

Healthy homes standards

The healthy homes standards introduce specific and minimum standards for heating, insulation, ventilation, moisture and drainage, and draught stopping in rental properties.

If you are not sure if your rental property complies with the standards, see tenancy.govt.nz/healthy-homes

Rights and responsibilities

Renting comes with rights and responsibilities. For information and advice, you can contact Te Ratonga Nohonga Accommodation Services or Tenancy Services, see tenancy.govt.nz
