

Please note that it's UC's policy to send out targeted emails for a job only if it's advertised on [NZUni Talent](#).

We can only send out emails during term time. The area of study + year of study defines the quote.

Step 1: Choose area of study from the following:

Accounting & Finance

Arts

Business

Digital Screen

Education

Science

Speech & Language

Sports

Other courses/subjects

Step 2: Choose the year of study you want to target (**capped at \$1000 + GST**):

Course year	Cost
1 st year	\$100 + GST
2 nd year	\$100 + GST
3 rd year	\$100 + GST
4 th year	\$100 + GST
Masters (taught)	\$100 + GST
Masters (thesis)	\$100 + GST
PhD.	\$100 + GST

For eg. All first & second year business and arts students will cost: \$400 (1 year Business + 2-year Business + 1-year Arts + 2-year Arts).

Step 3: Choose relevant specialisations (this does not affect the cost of targeted email):

<u>Area of Study</u>	<u>Specialisation</u>
Accounting & Finance	Accounting, finance, economics, Maths & Stats., Tax, Engineering Mathematics, Financial Engineering
Education	Mana Ako, Teaching & Learning
Arts	Ancient Greek, Animation, Anthropology, History, Languages, Classics, Communication, Music, Cultural Studies, Digital Humanities, Humanities, Environmental Policy, Fine Arts, Geography, Graphic Design, International Affairs, Māori & Pacific studies, Philosophy, Photography, Policy, Political Science, Sociology, Sustainable Business
Digital Screen	Cinema Studies, Cinematic Arts, Game Arts & Game development (shared with Product Design too), Screen Sound, Screen Writing, Film
Science	Antarctic Studies, Astronomy, Biochemistry, Biological Science, Biosecurity, Biotechnology, Chemistry, Data Science, Disaster Risk & Resilience, Geology, Geographic Information Science, Microbiology, Environmental Science, Ecology, Health Science, Mathematical Physics, Medical Physics, Freshwater Management, Physics, Science & Entrepreneurship, Soil Science
Sports	Sport Science, Sport Coaching, Physical Education
Business	Business & Culture, Business, Business Information Systems, Business Management, Marketing, Management
Speech & Language	
Other courses/subjects	Counselling, Information Systems, Youth & Community Leadership, Psychology, Product Design

For Engineering courses, refer to the next page.

For Engineering courses:

Choose the subject & the year of course. It costs **\$100 + GST per year, per course.**

Eg. If you are looking at targeting mechanical and civil engineering students from year 2 - 4, it will cost:

Mechanical Engineering = \$300 + GST (year 2 + 3 + 4 i.e. \$100*3)

Civil Engineering = \$300 + GST (year 2 + 3 + 4 i.e. \$100*3)

<u>Subjects</u>	<u>Courses offered in years</u>
Architectural Engineering	4 th year
Bioengineering	PhD.
Computer & Software Engineering	2,3,4 years
Chemical and Process Engineering	2,3,4 years, Masters & PhD.
Civil Engineering	2,3,4 years, Masters & PhD.
Construction Management	Masters
Electrical and Electronic Engineering	2,3, 4 years, Masters & PhD.
Earthquake Engineering	Masters & PhD.
Fire Engineering	4 year, Masters & PhD.
Forest Engineering	2,3 years, Masters & PhD.
Mechanical Engineering	2,3,4 years, Masters & PhD.
Mechatronics Engineering	2,3,4 years, & PhD.
Natural Resources Engineering	3,4 years
Transportation Engineering	PhD.

(capped at \$1000+ GST)
